October 2022

Dear Patient,

After 34 years, I write to inform you of my decision to retire at the end of this month.

It has been hugely rewarding and my absolute privilege to be a GP Partner at Fernville, to work with such a dedicated team, and to care for and get to know so many of you over the years. Whilst I will miss everyone enormously, I also look forward to having more time to spend with friends and family and to do the other things I enjoy.

I am delighted to be able to hand over my list of registered patients to Dr Priya Shah (female), an excellent GP, who has been working at Fernville for much of the last 4 years.

Dr Shah and I will be at the surgery on Saturday morning, 29th October, between 9.30am and noon should any of you wish to stop by. There will also be a book held in reception this month, and it would be lovely to receive messages from any of you who should care to leave one.

Sending my very best wishes to all of you.

With Kindest Regards

Dr Shipley-Rowe
